Do you think you've finished.....Laughing?

Let's meet the Dictator (interview series)

More Short Stories continues as bonus.

Introduction

Welcome Ladies and Gentlemen including..... kids this volume does not aim to contain all "*SHAKIEVELLI HILARIOUS SHORT STORIES*" there are many other stories equally as good, I suppose, in much the same vein, scattered through the range of every literature of different cultures in the world. I have tried to keep a certain unity of aim and impression in selecting these stories. In the first place I determined that the pieces of brief fiction which I included must first of all be not merely good stories, but good short stories.

No book is duller than a book of jokes, for what is refreshing in small doses becomes nauseating when perused in large assignments. Humor in literature is at its best not when served merely by itself but when presented along with other ingredients of literary force in order to give a wide representation of life. By the end of the book you may gonna get diarrhea for no reason (maybe).

Three Birds on a Wire

A teacher was helping her third-grade students with a math problem. After choosing a student in particular, she recited the following story:

"Billy, there are three birds sitting on a telephone wire. A man with a gun shoots one of the birds. How many birds are left on the wire?"

The boy pauses. "None," he replied thoughtfully.

"No, no, no. Let's try again, maybe you didn't hear me correctly," the teacher says patiently. She holds up three fingers. "There are three birds sitting on a wire. A man with a gun shoots one," she puts down one finger, "how many birds are left on the wire?"

"None," the boy says with authority.

The teacher sighs. "Tell me how you came up with that."

"It's simple," says the boy, "after the man shot one bird, the noise from the gun scared the other two away."

Cat house Parrot

A woman was thinking about finding a pet to help keep her company at home. She decided she would like to find a beautiful parrot; it wouldn't be as much work as a dog, and it would be fun to hear it speak. She went to a pet shop and immediately spotted a large beautiful parrot. She went to the owner of the store and asked how much. The owner said it was just \$50.

Delighted that such a rare looking and beautiful bird wasn't more expensive, she agreed to buy it. The owner looked at her and said, "Look, I should tell you first that this bird used to live in a whorehouse. Sometimes it says some pretty vulgar stuff."

The woman thought about this, but decided she would buy it anyway. The pet shop owner sold her the bird and she took it home. She hung the bird's cage up in her living room and

waited for it to say something. The bird looked around the room, then at her, and said, "New house, new madam."

The woman was a bit shocked at the implication, but then thought "that's not so bad." A couple hours later, the woman's two teenage emo styled daughters returned from school.

When they inspected the bird, it looked at them and said, "New house, new madam, new whores."

The girls and the woman were a bit offended at first, but then began to laugh about the situation. A couple of hours later, the woman's husband came home from work.

The bird looked at him and said, "New house, new madam, new whores, same old faces. Hi George!"

A Boy and a Frog

One day, a boy was walking down a road when a frog called to him,

"Boy, if you kiss me, I will turn into a beautiful princess."

The boy picked up the frog, smiled at it, then placed the frog into his pocket. A few minutes later, the frog said, "Boy, if you kiss me and turn me back into a beautiful princess, and I will stay with you for a week."

The boy took the frog from his pocket, smiled at it, then put it back into his pocket. A few minutes later, the frog said, "Boy, if you kiss me and turn me back into a beautiful

princess,

I will do ANYTHING you want!"

The boy took the frog from his pocket, smiled, and put it back. Finally, the frog cried, "Boy, what is the matter, I have told you that I am a beautiful princess, and if you kiss me, I will stay with you and do ANYTHING you want!"

The boy took the frog from his pocket and said, "Look, I am an engineering student, I have no time for a girlfriend, but a talking frog is cool!"

Four Letter Words

A young couple got married and went on a cruise for their honeymoon. When they got back home the bride immediately called her mom, who lived three hours away.

"Well, darling," said her Mom, "How was your honeymoon?"

"It was wonderful, and so romantic. We had a great time," said the bride, but as soon as we got home he started using really horrible language. Words I have never heard before. Really horrible four-letter words! You've got to come get me...PLEASE." Then the bride began to sob over the phone. "PLEASE, mom come get me!" begged the bride.

"But honey what did he say, what 4-letter words, you have to tell me what's troubling you," said her mom.

Still sobbing the bride said to her mother..."Words like....DUST, IRON, COOK, WASH!"

WHEELCHAIR LOVER

A woman decides that she's had it with trying to find a decent man in a bar.

So she takes out an ad in the paper that says she is seeking a mate who is loyal, rich and a good lover.

After a few days, her doorbell rings. She opens the door and sees a man in a wheelchair with no arms and no legs. He says, "I'm here about your ad."

Momentarily taken aback, she says, "Well, how do I know you're loyal?"

"Well, I saved my platoon from the VC in 'Nam. That's where I lost my arms and legs," he replies.

"Well, how do I know you're rich?" she inquires.

"I make over \$3 million a year. I have my own software company. You can look at my bank statement," he continues.

Looking him over in his wheelchair, she demands, "Well, how do I know you're a good lover?"

He shrugs, "I rang the doorbell, didn't I?"

The Spy

Nigel Cavendish was a famous British spy code 008 . For over 20 years he went on important missions and stole important secrets from countries all over the world.

However, his luck ran out, although there's no such product as luck. One day, he was captured by the Russian government. The British government said they didn't know anything about him. They were like Aaammm!! he kinda

looks like us but we don't know him. He was taken to court and sentenced to death by firing squad. On the day of his execution the weather was terrible.

It was raining cats and dogs and there was a cold north wind blowing fiercely.

The guards came to his prison cell and led him outside.

They walked in the pouring, cold rain for almost half a kilometer. It was muddy, they were soaked and freezing to death.

They put Nigel up against the wall and lined up to shoot him. They asked him if he had any last words to say.

Nigel said, "What horrible men you are – to bring me out to be shot on such a horrible day."

One soldier looked up at the dark sky and said, "I DON'T KNOW WHAT YOU ARE COMPLAINING ABOUT! WE HAVE TO WALK BACK! AND BY THE WAY I AM A TRANSVESTITE"

How to Make a Woman Feel Like a Woman

A passenger plane on a cross-country trip runs into a terrible storm. The plane gets pounded by rain, hail, wind and lightning. The passengers are screaming. They are sure the plane is going to crash and they are all going to die.

At the height of the storm, a young woman jumps up and exclaims, "I can't take this anymore! I can't just sit here and die like an animal, strapped to a chair. If I am going to die, let me die feeling like a woman. Is there anyone here man enough to make me feel like a woman?"

She sees a hand raise in the back, and a muscular man starts to walk up to her seat and that appears to be the WWF and TV guy the Rock. As he approaches her, he takes off his shirt.

She can see the man's muscles even in the poor lighting of the Plane.

He stands in front of her, shirt in hand and says to her, "I can make you feel like a woman before you die. Are you interested?"

She shakes her head yes.

As the man hands her his shirt, he says, "Here, iron this."

HAHAHAHA!!!! AHAHAHAHA HOHO!!!
-Gotcha!

Laughing Customer

A man walks into a pharmacy, buys one condom, then walks out of the store laughing hysterically. The pharmacist thinks this is weird, but, hey, there's no law preventing weird people from buying condoms. Maybe it's a good thing.

The next day, the man comes back to the store, purchases another condom, and once again he leaves the store laughing wildly. This

piques the interest of the pharmacist. What's so funny about buying a rubber, anyway? So he tells his clerk "If this guy ever comes back, I want you to follow him to see where he goes."

Sure enough, the next day the laughing customer is back. He buys the condom, starts cracking up, then leaves.

The pharmacist tells his clerk to go follow the guy.

About an hour later, the clerk comes back to the store.

"Did you follow him? Where did he go?" asks the pharmacist.

The clerk replies, "Your house."

THE MORAL OF THE STORY

One day, at the end of class, little Billy's teacher asked the class to go home, think of a story, then reach a conclusion as to the moral of that story.

The following day the teacher asked for the first volunteer to tell their story. Little Suzy raised her hand. "My dad owns a farm and every Sunday we loaded the chicken eggs on the truck and drove into town to sell them at the market. Well, one Sunday we hit a big bump and all the eggs flew out of the basket and onto the road."

The teacher asks Suzy what the moral of her story was.

Suzy replied, "Don't keep all your eggs in one basket."

Next was little Lucy. "Well my dad owns a farm too and every weekend we take the chicken eggs and put them in the incubator.

Last weekend only 8 of the 12 eggs hatched."

The teacher once again asks what the moral of her story was.

Lucy replied, "Don't count your eggs before they're hatched."

Next was little Billy. "My uncle Ted fought in the Vietnam War, and his plane was shot down over enemy territory. He jumped out before it crashed with only a case of beer, a machine gun and a machete. On the way down he drank the case of beer. Unfortunately, he landed right in the middle of 100 Vietnamese soldiers."

"He shot 70 with his machine gun, but ran out of bullets, so he pulled out his machete and killed 20 more. The blade on his machete broke, so he killed the last ten with his bare hands."

The teacher looked in shock at Billy and asked if there is any possibility of a moral to his story.

Billy replied, "Don't f**k with uncle Ted when he's been drinking."

Once there was a Korean shopkeeper named Mr. Park. He lived in New York and had had a small corner store for 45 years. He worked very hard, 16 hours every day and he never took a holiday.

One day, his daughter arrived at the store and found Mr. Park was robbed and lying on the floor. He had had a heart attack! She called 911 and he was rushed to the hospital.

He survived and was very weak, resting in the hospital. A day later he awoke and slowly looked around his hospital room.

He asked in a weak voice, "Are you there, my dear wife?"

"Yes," she replied "I am here my dearest."

Mr. Park asked, "Are you here, my oldest son?"

"Yes, I am here." replied his oldest son.

"Are you here, my daughter?" Mr. Park asked in a faint voice.

"Yes, father, I am here." the daughter replied with a tear in her eye.

"Are you here, my youngest son?" asked Mr. Park.

"Yes, papa. I am here by your side." said the baby of the family.

Suddenly Mr. Park's eyes grew big and threw off the bed covers and jumped up, screaming,

"SO THEN, WHO IS WATCHING THE STORE!"

The Genie

A man and his wife were playing golf. The man tees off and his ball veers way off to the right, breaking the window of a house. The wife says you must go and apologize and pay for the window.

Both the man and his wife walk up to the house, ring the door but no one answers. He opens the door and inside, next to the window he sees a broken vase with his golf ball laying on the floor.

Suddenly a man comes out of a nearby room, the golfer starts to apologize for breaking his window and the vase.

The man inside the house says, "No, don't apologize, I am a genie and have been stuck in that vase for 10,000 years, you have rescued me and I owe you deeply. For helping me I will grant three wishes. I will give you one, your lovely wife one and I would like to keep one for myself."

He asks the man what he wishes for. The man thought awhile and said, "I wish for a million dollars."

The genie waves his hand and said, "A million dollars, it's yours, it has been deposited into your bank account."

He asks the wife what is her wish. She says, "I wish for a condominium in Hawaii."

The genie waves his hand and says, "A condominium in Hawaii, it's yours." The genie continues, "Now it is my turn." He thinks for awhile and says, "You know its been 10,000 years since I have had a woman, could I make love to your wife?"

The man thinks for a while and says, "Honey, he gave us a million dollars and a condominium in Hawaii, the least you could do is make love to him."

She agrees and they both go to the back bedroom.

After making passionate love, the woman says, "I can't believe that my husband let you do this to me."

The genie (Mr. smart guy) says, "And I can't believe that your husband still believes in genies....Damn!"

PICASSO (A True Story)

One day, a famous art collector was having a party. He had many famous paintings on his walls. He saw one man studying his favourite painting which was above his fireplace. He said to the man, "This is a real Picasso."

The man shook his head. He said, "I am an art expert. This definitely isn't a real Picasso. It is a fake."

The art collector was shocked.

He called up his agent and asked to have a personal appointment with Picasso.

The meeting was arranged and he flew to Paris. He went directly to Picasso's studio and after

climbing the stairs, knocked on the door. Picasso shouted, "Come in!". Picasso was busy painting a large painting. He quickly looked over his shoulder and asked, "What is it? I'm busy."

The art collector said, "Mr. Picasso I only have one quick question. Can you please look at this painting and tell me if it is a fake?"

Picasso looked over his shoulder at it and quickly snapped, "It is a fake". The collector thanked Picasso and left.

One year later, the collector returned to Picasso's studio. He walked up the stairs and knocked on the door. Picasso was busy painting and he angrily asked, "What is it?"

The art collector said, "Picasso, sorry to interrupt but I have just one question. Can you look

at this painting and tell me if it is a fake?" Picasso looked over his shoulder and quickly replied, "It is a fake!"

The man was shocked, he said, "It can't be! I was here last year and saw you, yourself, painting this very painting!" Picasso turned around and said,

"Sometimes I paint fakes."

Robert Dean Norris was a salesman who was copy-paste of Robert de Nero and from the film Goodfellas. He was a good salesman and sold lots of vacuum cleaners. One week, the manager sent Robert into the countryside to sell. He drove out of town and stopped at a farmhouse. He knocked on the door and the farmer's wife opened it.

Robert started into his speech immediately.

"Mam, how much time do you spend sweeping the floors?"

"A lot of time. This is a farm and things get dirty quickly," said the woman.

"And how much time do you spend beating the carpets?" asked Robert.

"A lot of time. This house gets dusty and my dog also lays on them"

"Well" said Robert, "This is your lucky day."

Robert Dean Norris showed her his vacuum cleaner and said,

"You can clean the house in 5 minutes with this!"

The farmer's wife didn't look interested.

Robert took out a big bag of dirt. He opened it and threw it all over the floor. The farmer's wife was very surprised. Before she could speak Henry said, "Mam, if this machine doesn't

pick up every last piece of dirt, I will eat all of it!!!!!"

The farmer's wife looked at Robert and said,

"WELL, I WILL GET YOU A SPOON.

WE HAVE NO ELECTRICITY."

The iSland Genie

A Frenchman, an Englishman and a German were traveling in a boat from France to Australia. Unfortunately, the boat sank but the three men swam to a small island. There was nobody on the island and the men waited for two months. No boat came to rescue them. They were very unhappy.

“We will have to live here forever.” said the Englishman
“ We will have to eat bananas every day.” said the German
“We will never see our families again.” said the Frenchman.

One day, while walking along the beach, they found a bottle. They opened the bottle and out came a genie. The genie said, “Thank you for letting me out of the bottle. I was inside for 500 years! Now I am free. I will give you each one wish.”

The German said, “I want to be back in German at a soccer game. With a beer and sausage and singing songs in the stadium.”
“POOF”, “Your wish is granted” said the genie. The German was back in Germany.

The Frenchman said, “I want to be at the dinner table with my family in France, eating cheese, drinking wine.”
“POOF”, “Your wish is granted” said the genie. The Frenchman was back in France.

The Englishman just looked at the genie. The genie said, “Hurry up! I want to enjoy my freedom.”

The Englishman thought for a moment and said, “I am rather lonely here. Can you bring back my two friends?”
“Poof”, the German and the Frenchman were back on the island.

There's an American airline and one of the engines is going out so they decide they need to get rid of some

weight or they will crash. To do it fairly they decide to do it in Alphabetical Order (like ABCDEF...). So they tell all of the African-

Americans to jump off the plane, no one moves. So they say, "Okay, all

the blacks jump off.

" Still no one

jumps. So they say, "All of the colored people jump off." Still no one jumps. Finally this little kid walks up to his

dad and says, "Daddy, aren't we all three of those?" And the dad says, "Nope, today we're NIGGERS, we ain't jumpin' before the MEXICANS."

Woman: Is there a problem, Officer?

Officer: Ma'am, you were speeding.

Woman: Oh, I see.

Officer: Can I see license please?

Woman: I'd give it to you but I don't have one.

Officer: (with shock) Don't have one?

Woman: Lost it 4 times for drunk driving.

Officer: I see.... Can I see your vehicle registration papers please?

Woman: I can't do that too.

Officer: And why not?

Woman: (saying proudly) I stole this car.

Officer: Stole it?

Woman: Yes! and I killed and hacked up the owner.

Officer: (with contempt) You what!!!?

Woman: Well, his body parts are in the plastic bags in the trunk if you want to see.

The Officer looks at this (mysterious) woman, slowly backs away to his car, and calls for back up. Within

minutes 5 police cars circle her car. A senior officer approaches the car, clasping his half drawn gun.

Officer 2: (serious voice) Ma'am, could you step out of your vehicle please!

The woman (gently) steps out of her vehicle.

Woman: (like nothing happened) Is there a problem sir?

Officer 2: One of my officers told me that you have have stolen this car and murdered the owner.

Woman: (surprisingly) Murdered the owner?

The woman opens the trunk, revealing nothing but an empty trunk.

Officer 2: Is this your car, Ma'am?

Woman: Yes, here are the registration papers.

The first officer was stunned and shocked only one question in his head "How in the earth she could.....?"

Officer 2: One of officers claims that that you do not have a driving license.

The woman digs into her handbag and pulls out a clutch purse and hands it to the officer.

The officer snaps

open the clutch purse and examines the license. He looks quite puzzled.

Officer 2: Thank you ma'am, one of my my officers told me you didn't have a license that you stole this car,

and you murdered and hacked up the owner.

Woman: No offence Officer, I betcha the lying bastard told you I was speeding too.

The child and his mother:

A curious child asked his mother: "Mommy, why are some of your hairs turning grey?"

The mother tried to use this occasion to teach her child: "It is because of you, dear. Every bad action of yours will turn one of my hairs grey!"

The child replied innocently: "Now I know why grandmother has only grey hairs on her head."

The teacher asks Jimmy:

Teacher: "Jimmy, why aren't you writing?"

Jimmy: "I don't has a pencil."

Teacher: "Jimmy, that's not a correct sentence. The correct way is: I don't have a pencil; he doesn't have a pencil; we don't have a pencil."

Jimmy: "Who stole all the pencils then?"

A Wrong Email

A couple going on vacation but his wife was on a business trip so he went to the destination first and his wife would meet him the next day.

When he reached his hotel, he decided to send his wife a quick email.

Unfortunately, when typing her address, he mistyped a letter and his note was directed instead to an elderly preacher's wife whose husband had passed away only the day before.

When the grieving widow checked her email, she took one look at the monitor, let out a piercing scream, and fell to the floor in a dead faint.

At the sound, her family rushed into the room and saw this note on the screen:

*Dearest Wife,
Just got checked in. Everything prepared for your arrival tomorrow.*

P.S. Sure is hot down here.
